

MyWiFi ISP

Privacy Policy

2025

Introduction

Welcome to our privacy policy. This is our way of protecting your privacy. MyWiFi respects your privacy and the protection of personal data is paramount to us. The purpose of this policy is to describe the way that we collect, store, use, and protect data that can be associated with you or another specific natural or juristic person and can be used to identify you or that person (personal data).

Audience

The policy is applicable to visitors of our website - www.mywifi-isp.co.za

Personal Data

Personal data includes: •

- Information automatically collected when you visit our website
- Information that you provide to us voluntarily (see below)

Examples

Commonly collected personal data includes:

- Name and Surname
- Email address
- Cell phone number

Acceptance

By accepting this policy, you are deemed to have read, understood, accepted and agreed to be bound by all of its terms.

Use of Cookies

Personalisation:

To personalise the website for you by remembering your preferences, such as language, font size, and display theme.

Tracking:

Recording your actions and preferences as you navigate a website.

Advertising:

Building a profile of your interests and showing you relevant ads.

Session management:

Remembering your sign-in status, shopping cart contents, and other session-related details.

Website optimization:

Improving the usability and performance of a website.

Statistical analysis:

Gathering anonymous statistics about how users use a website

Security

We take your privacy very seriously and strive to comply with data protection laws.

We implement all the appropriate measures technological and organisational to keep your data safe.
